| | | | | <input type="checkbox"/> Urine Total Protein (random) | U |

Specimen Tube Type: B = Sodium Citrate; L = EDTA; LH = Lithium Heparin; R = Red Top; SST = Serum Separator Tube; U = Urine; * = May indicate immunization status

AUTHORIZED HEALTHCARE PROVIDER ACKNOWLEDGEMENT

I acknowledge that documentation to support medical necessity for all tests ordered is recorded in the patient's chart. If not signed, Authorized Healthcare Provider affirms that test orders are placed in patient file with provider signature and will be available upon request. The Office of the Inspector General requires documentation in patient medical chart including date of service, tests ordered and documentation to support medical necessity.

Provider Signature: _____

Date: _____

VIBRA HEALTH LABORATORY CHEMISTRY PROFILE INFORMATION

| Chemistry Profiles | |
|--|----------|
| Electrolytes | SST |
| Chloride | |
| CO2 | |
| Potassium | |
| Sodium | |
