F PATIENT ACKNOWLEDGEMENT	REQUIRED
This specimen was provided voluntarily for analysis and I authorize Vibra Health Lab to process, bill and provide results. I agree to the declarations and terms in the patient acknowledgment and irreversible assignment of benefits on the back of this form.	
Patient Signature: _____	Date: _____

G AUTHORIZED HEALTHCARE PROVIDER ACKNOWLEDGEMENT	REQUIRED
I acknowledge that documentation to support medical necessity for all tests ordered is recorded in the patient's chart. If not signed, Authorized Healthcare Provider affirms that test orders are placed in patient file with provider signature and will be available upon request. The Office of the Inspector General requires documentation in patient medical chart including date of service, tests ordered and documentation to support medical necessity.	
Provider Signature: _____	Date: _____

PATIENT ACKNOWLEDGMENT AND IRREVOCABLE ASSIGNMENT OF BENEFITS

The information provided on this form and on the label affixed to the primary specimen container is accurate. The specimen identified on this form is my own. I have not adulterated it in any way. I am voluntarily submitting this specimen for analysis by my healthcare provider and/or third party lab. I authorize the lab to release the results of this test to the ordering healthcare provider. The lab is authorized to bill my insurance provider, or any payer, whether fully insured or self-insured, and I will irrevocably assign any payment of benefits, claims, rights, and interests related to the services my healthcare provider performed against any payer. I further authorize the lab and my healthcare provider to release to my insurance provider any medical information necessary to process this claim.

I acknowledge that VHL may be an out-of-network facility/provider with my insurance provider. I am also aware that in some circumstances my insurance provider may send the payment directly to me. I agree to endorse the insurance check and forward it to VHL within 15 days of receipt as payment towards the lab services provided by VHL. I acknowledge that I am responsible for any amounts not covered by my insurer including any deductibles and co-payments/co-insurance. I understand that VHL may use my specimen and any testing performed on that specimen for research and development so long as the information has been de-identified pursuant to law.
